

DATA SHARING AUTHORIZATION

The customer listed below (“Customer”) hereby requests that DealerSocket share data from the DealerSocket Dealer Management System (“DMS”), including consumer and vehicle data, with SiriusXM for the purpose of participating in the “SiriusXM Pre-Owned Program.” Customer understands the information shared by DealerSocket may include, among other things, vehicle inventory data, dealer identification numbers, vehicle identification numbers, vehicle sales transaction data, vehicle service transaction data, and consumer information. Customer further understands and agrees this request to transfer information is made notwithstanding any provision to the contrary contained in the Master Services Agreement or any other agreement between Customer and DealerSocket, and hereby release DealerSocket from any and all liability in connection with the release of information pursuant to this Data Sharing Authorization.

By signing below, I represent I am authorized to bind the Customer to the terms and conditions of this Data Sharing Authorization.
